

UTC Leeds News Post 16 Bulletin Monday 21st May 2018

EVENTS THIS WEEK

- **External Exams:** Y13 C1 and Product Design and AS Physics
- **Wednesday 16th May:** Y12 Work experience letters were given out to students and there was an assembly related to work experience on Friday 18th May

ATTENDANCE THIS WEEK.....

Every Wednesday we recognise and celebrate students who have achieved 100% attendance the previous week. We put all names in a prize drawer and go round each profile team to announce the winner. Year 12 students remember if your attendance is 96% or above this term then you will qualify to go on an end of Year trip. We have been discussing the options for the end of year trip this week and we will announce our plans in the first week back after half term.

KEY INFORMATION....

**Ramadan
(2018)**

As you are aware, Ramadan falls within the examination season over the next few years and we are aware that the combination of a long days fasting and examinations will put extra pressure on our young Muslim students. At UTC Leeds we respect the individual's approach to observing Ramadan. However, from past experience we are aware that some students may feel unwell e.g. faint or feel dizzy. We will deal with the situation in the usual way by providing appropriate medical assistance which may include the administration of medicines or giving water to drink. We will ensure students who are fasting have the opportunity to rest over lunchtime in a supervised, quiet space away from the canteen.

We suggest students look at the following websites for advice and you may like to check them yourself.

www.student.com/articles/exams-during-ramadan-how-to-prepare/

www.birminghammail.co.uk/whats-on/family-kids-news/ramadan-2016-7-tips-students-11442577

www.bbc.co.uk/news/av/education-40065481/exams-in-ramadan-what-should-i-eat

Please contact school if you have any concerns about observing Ramadan and speak to the Pastoral team in the first instance.
