

UTC Leeds News Parent Bulletin
Friday 25th May 2018

EVENTS THIS WEEK

- Y11-13 external exams and coursework submission
- **Wednesday 23rd May:** Y10 Work experience assembly and letters issued
- **Thursday 24th May:** Y10 paper copies of reports were issued to students in Profile team sessions. These will be sent home via email to parents on Friday 25th May

I would like to take this opportunity to wish all students a well-deserved rest over the half term holidays. The external exams have been particularly busy this week and we hope students make the most of the break to revision and rest for the next phase of exams.

Thank you for your continued support and encouragement.

Miss E Devane.
Acting Principal

ATTENDANCE THIS WEEK.....

Well Done Wednesday!

We are congratulating students this week for 100% attendance over the last seven days.

Jordan Chadwick
Holly Wild
David Wilkinson
Sam Robinson
Cameron West
Damian Cockroft
Josh Thorburn
Kian Brookes
Matthew Baker

Well done to all of these students!

KEY INFORMATION....

Dear Year 11 parents,

There are two maths calculator GCSE exams to complete.
Some websites that are of use are:

vle.mathswatch.co.uk (username: FSurname@utcleeds, password: mathsutc)

This has videos for every topic, plus interactive questions, worksheets and answers.

Corbett Maths (No login needed) This has videos, practice GCSE questions and answers, and textbook like questions and answers.

Onmaths.com which has three predicted papers for each level (F and H) as well as topic tests and Demon papers, testing the hardest questions. These are interactive and marked as you go along.

To access past papers and mark schemes, use revisionmaths.com and click on the “Edexcel GCSE Papers” link.

Another source of past papers is “Physicsandmathstutor.com” and click on the Past Papers link. We study Edexcel. The IGCSE can be used for further examples, as can the Legacy GCSE material.

Best of luck,
Mr Hayter.

- **Y10 and Y12 Profile team leaders** will remain as they are currently until the end of the summer term (Y10 and Y12 Profile team leaders changed at Easter). If you require any clarification regarding Profile team leaders, please contact Mr Berry (Y10) alex.berry@utcleeds.co.uk or Mrs Wilson (Y12) sarah.wilson@utcleeds.co.uk for further information
- **Y10 Independent Learning sessions:** For the last half term, there will be changes to the way the Independent learning lessons are run in order to increase their effectiveness. Currently all Y10 students have an independent learning session with their Profile Team leader during the Thursday period 3 lesson. After May half term, students will have a session led by a subject specialist during these sessions. This will be on a rotation and will follow a ‘throwback Thursday’ format (revision of prior content). Students will be re-grouped into four mixed ability groups of 26 for these sessions. The students will have the same classroom each week and the member of staff will rotate. The students who do not take Triple Science, have had an additional independent learning session each week since September. After half term, these sessions will be used for Engineering and ICT coursework and will be led by a subject specialist each week

DATES FOR YOUR DIARY.....

- ✓ **Friday 25th May:** Half term 5 ends
- ✓ **Monday 4th June:** Summer term begins
