ATTENDANCE THIS WEEK.....

Year 10 and 12 students decided that they would like to go to a theme park for their end of year attendance reward, therefore there will be a trip to Alton Towers on **Monday 23rd July.**

On Thursday 7th June students were asked to express their interest, if they would like to attend the trip and were provided with their attendance from 30th the April to today. Students can only attend the reward trip if their attendance is 96% or above from 30th April until the 20th July.

Students will be given a letter in the next couple of weeks for their parents/ carers which will detail further information about the trip. If you have any questions about your son/daughter's attendance, please contact Mr Ellis (Y10 and Y11) or Miss Dean (Y12 and Y13)

KEY INFORMATION.....

Work experience: Y10 and Y10 students must ensure that they are returning their work experience forms to the school reception this week. To apply for the places offered by UTC Leeds, students need to submit a supporting letter explaining why they should be offered the place to the school reception. Applications will then be reviewed and students will be notified of the outcome. If any students have already selected a place offered by UTC Leeds but have not submitted a supporting letter, they should ensure this is submitted this week. For further information, please contact Mr Mellor or the school reception team.

STUDENT ACHIEVEMENTS.....

Congratulations to **Dana Gadd** (Year 10), whose engineering teachers have nominated her for a national award, the Women in STEM One to Watch award.
