### STUDENT ACHIEVEMENTS.....

- 30 year 10 students went to Rothwell Primary school on Thursday 21st June to lead a full 'science day'. The day included an assembly for girls on why girls should pursue STEM careers, workshops for all year groups on exciting STEM activities and a Q&A at the end. Well done to those year 10 students involved for their exceptional leadership skills.
- Especial commendation goes to Katelyn Longfellow who successfully led an assembly to all the Rothwell Primary school girls on why we celebrate women in engineering. The teachers from both the UTC and the primary were extremely impressed with how well Katelyn engaged the students.

- **Week commencing 25<sup>th</sup> June:** Formal end of year exams in the hall for Yr12. Students have now all received a timetable for this.
- **Monday 25th June and Tuesday 26th June:** Maths Boosters sessions for Y11s who are joining Y12 at UTC Leeds in September. Students who have applied for a place at UTC will have received a letter with further details
- **Tuesday 26<sup>th</sup> June:** The RS components truck will be visiting the UTC for the day. All Y10 and Y12 students will have a chance to visit this. The truck features interactive displays which highlight the whole range of engineering disciplines. We are very fortunate to have this fantastic opportunity visiting the school for all our students to experience.
